ANNUAL REPORT 2023

grace
WOMEN'S ORG

MISSION

Promote the mental, physical, and spiritual health of moms.

VISION

Every mom can live a full, present life, not hindered by burnout, anxiety or routine.

Every woman feels empowered, complete, and capable of modeling a healthy well-being to her family and community.

A WORD FROM THE CEO

I'd like to thank our generous donors and wonderful volunteers who shared their time and resources to help advance and amplify our mission. This year has been a beautiful season of growth.

At Grace, we are committed to addressing the needs of women in our community. That's why we launched two new initiatives this year: Women on the Move and an onsite childcare program. Providing childcare has been a long-time goal, as it enables moms to show up and fully participate in our wellness programs.

It's been a blessing and an honor serving the women we served, listening to their stories, and providing them with avenues to thrive in all aspects of their lives. While 2023 was a very good year, we have even bigger plans for 2024. God is moving in our organization, and I cannot wait to see what impact and triumphs we have in this upcoming year.

Warm Regards,
